12th June 2020

To: Parents and Carers of Year 10 and Year 12 Students

WEST LAKES ACADEMY
Changing Lives Through Learning

Dear Parent / Carer,

Following on from yesterday's decision by the Trust Board to allow the re-opening of West Lakes Academy, we are looking forward to welcoming our students of Y10 and Y12 back to the academy on Monday, as per the rota that was sent to you earlier this week.

I hope you and your daughter / son have had a chance to look through the booklets on our website to review the practical arrangements that are in place for next week, such as timings, structure and routines for the day as well as review the video that was posted – as I said in the introduction in the booklet, the academy looks very different and our procedures are very different at the minute and this is a reflection of how we are having to live at present.

Please could I ask that you do not drop your daughter / son off before 8.30am – we do not have the capacity to accommodate and socially distance students that arrive early in the academy as we would normally at the start of the school day – the car park will be available for you to wait if you arrive a few minutes early and we want to avoid long lines of students queuing up outside.

We are still awaiting information from Cumbria County Council with regards to school transport and if anything is received before the end of the day today I will ensure it is forwarded on to you.

It has been a long 12 weeks without our fabulous students in the academy and we are all really looking forward to seeing the first group back on Monday.

Yours sincerely

James Jackson
Principal
