1. Introduction

At West Lakes Academy we are committed to delivering high quality careers, information, advice and guidance (CIAG) for all of our students. We understand that all young students need to prepare themselves for progression through learning and education into adulthood. Our aim is to equip our students with the knowledge and skills to enable them to make effective choices, understand their career and progression routes, and enable them to manage smooth transitions on to the next stage of either learning or employment. At key milestones throughout the students' education we will provide support, advice and guidance to ensure realistic and informed decisions are made to help them to progress to higher education, apprenticeships, and the world of work. We provide impartial advice and ensure the advice given is in the best interest of the student.

Careers education has never been more important for young people. They are bombarded with complex choices which need considering and planning such as; What KS4 subjects do I take? Do I choose vocational or academic subjects or a mixture of both? Which extracurricular activities would enhance my CV? And, of course, which career would I find interesting, is achievable and would suit my lifestyle?

Each year group follows a careers education program which aims to raise aspirations and provide students with a better understanding of the pathways they need to follow to help them to achieve their goals. Students will investigate careers during curriculum time within PD and spend time on this in tutor time, with a whole school initiative known as Future Fridays. Throughout the year speakers and local employers from different organisations will come in to provide the students with inspiration, advice and inform them of professions and careers that they might not have considered previously.

Students take part in a wide range of careers activities such as, enterprise events, industry days, STEM activities and university visits for first-hand experience of further and higher education.

In addition to these activities there are a wide range of free resources available in school that students can take advantage of. These can be found in a number of different formats, e.g. booklets and prospectuses, in the careers section of the library.

West Lakes Academy is committed to providing a planned programme of activities, careers education, information, advice and guidance (CEIAG) for all students in years 7-13, regardless of students' culture and ethnicity, background or ability. All students will benefit from the planned events and activities to help them make informed decisions in preparation for life, work and as responsible adults, making a valuable contribution to society and their communities.

2. Document Purpose

This document outlines West Lakes Academy's Career Plan for September 2020 – July 2021. This document will be reviewed and revised before the start of each academic year accordingly.

3. Gatsby Benchmarks progress

In 2014, Lord Sainsbury's Gatsby Charitable Foundation published a report by Professor Sir John Holman, Adviser in Education at the Gatsby Charitable Foundation, titled "Good Career Guidance."

The report identified eight benchmarks that are the core dimensions of good careers and enterprise provision in schools:

- 1. A stable careers programme*
- 2. Learning from career and labour market information*
- 3. Addressing the needs of each pupil*
- 4. Linking curriculum learning to careers*
- 5. Encounters with employers and employees*
- 6. Experiences of workplaces*
- 7. Encounters with further and higher education*
- 8. Personal guidance*

6. Development of Experiences of Work places

One of the major focusses for continued development is access to work places, with this in mind we have the following plan to provide experiences of work places to be implemented during 2020/2021.

Year Group	Experience of work place activity.
7	Summer 2020 – all students to take part in ‘follow an adult to work’ event. Students and parents/carers will be responsible for planning a follow to work day this will include a prior research about the role task for students to complete, a parent/carer discussion activity learning about the access route to this job and then a reflection diary of the day.
8	August 2020 - Employer Interview
9	Students will complete a summer holiday homework task of 3 days of work experience/volunteering. This task will require a job description to be produced by students identifying skills, qualities, qualifications and an explanation of the role.
10	Year 10 students will initially complete the ‘Ready for Work’ program supported by Inspira followed by one weeks work experience during National Careers Week 2021.
11	
12	
13	During students time in sixth form they will be expected to complete a work experience placement of individual value.

7. Roles and Responsibilities

To maintain and run an effective Careers Service several groups and individuals within the School are identified along with their roles and responsibilities in order to provide support and guidance to the service.

Drive Team responsibilities

- Ensure there is a named member of ALG who has primary responsibility for Careers Guidance.
- Ensure the Academy meets and exceeds the statutory careers requirements.

ALG responsibilities

- Ensure the annual Careers Plan is completed and signed off by the end of August 2021.
- Ensure that the agreed careers objectives are understood and implemented across the academy.
- Ensure the Careers Leader is prepared for OFSTED inspections.
- Ensure the Academy meets and exceeds the statutory careers requirements.
- Provide support to the Careers Leader and ensure that the agreed resources are made available during the year.
- Review progress and achievements versus the careers plan and make adjustments as necessary.

Middle Leader with overall responsibility for careers provision

- Ensure the careers programme is adequately resourced to deliver the agreed careers plan.
- Recruit, retain and support the careers leader.
- Work closely with the Careers and Enterprise Adviser to maintain a strong link with local employers and to continuously improve on the careers service provided at the Academy.
- Act as the 'careers champion' to ensure that whole school acceptance of the careers plan is achieved!
- Complete a minimum of 1 days' work experience in a local business to understand how the school could best serve its business community.
- Audit current teaching practices in terms of careers delivery.
- Prepare and deliver the careers plan.
- Report progress to the ALG team.
- Bring any problems that you are unable to resolve to the attention of the ALG.
- Ensure you engage with all your stakeholders including, Local Authority, Local Colleges and Universities, ALG, teachers, support staff, students, parents, local businesses and guest speakers.
- Put systems in place to ensure that you deliver measurable year on year improvements to the careers programme.
- Be the Academy focal point on all matters relating to careers education and training and ensure the ALG are kept informed of industry or legislative changes which may impact their responsibilities.

Head of Sixth Form responsibilities

- Ensure all Y12 students have prepared draft CVs and/or personal statements.
- Support the careers leader to deliver appropriate activities and work experiences.
- Support the students with their individual career action plans, paying particular attention to those in the NEET risk group.
- Work with the senior lead for careers education to ensure students make a smooth transition to year 12 and are supported onto the right pathway.

Heads of Year responsibilities

- Take responsibility for careers education, information advice and guidance for their respective year groups, ensuring all students participate in year group CEIAG activities.
- Disseminate all CEIAG information to form tutors and ensuring all year students receive any advice needed.
- Support the Lead in Careers with delivery of activities and aspects of the program to ensure its effectiveness to all students during tutor and assembly times.
- Organise regular employer engagement assemblies and report these through social media.

Teachers, form tutors and teaching support staff responsibilities

- Ensure you are familiar with the school careers plan and its objectives.
- Ensure that career readiness and careers education are embedded in your lesson plans.
- Review your lesson plans in relation to linking to current jobs and career pathways.
- Monitor the effectiveness of your embedded activities and improve as necessary.
- Feedback specific student needs (or opportunities) to the Careers Leader.

Administrative and support staff responsibilities

- Support the careers leader in delivering the careers plan and achieving its objectives.
- Contribute towards the development of an atmosphere (within the school) of learning, confidence and ambition.
- Explore and adopt measures which enable you to deliver your services efficiently.
- Support communications and planning of work experience opportunities.

8. Information and Self Help

Further information and links will be made available on the academy careers information pages and regularly updated to support legislation and opportunities.

All students will be registered on our online Unifrog platform which students are encourage to keep up to date with every year in the academy and share progress with parents at home. Unifrog will be used weekly to support our Future Friday tutor times.

Students will be encouraged to regularly visit our online resources and will be provided with guidance on the use of the resources where necessary.
